

## Meet your friendly neighbourhood **PCN Clinical Pharmacist!**

### **Michael Chan**

#### **Lougheed PCN Clinical Pharmacist**

Before joining the Burnaby PCN, Michael worked at Vancouver General Hospital where he spent the past eight years as a clinical pharmacist focusing on hospitalist medicine, spinal surgery, and orthopedic surgery. He also speaks Cantonese.

Burnaby PCN Clinical Pharmacists are a part of your primary care team! They support in the ongoing care of patients with complex conditions. How they can help:

- Prevent and resolve medication-related problems
- Educate the patient about their medications
- Help remove barriers to patients in following prescription advice
